**FY20 Fixed & FY21 Provisional Fringe Benefits Rates**

The Office of Naval Research has finalized the fixed fringe benefit rates for FY20 and established provisional rates for FY21. Rate agreements are available on the Controller’s Office website and the Office of Sponsored Programs.

The FY20 fixed rates below were used during the July 2019 application of fringe benefits based on employee category and will continue throughout FY20. Effective immediately, the FY20 and FY21 provisional rates will be applied to proposal budget submissions for the current and future fiscal years, respectively.

For consistency purposes, these rates also apply to the university cost sharing tracker system.

**Fiscal Bunch Lunch Group (FBLG)**

The Fiscal Bunch for Lunch Group (FBLG) is an organization promoting the interests of fiscal technicians at Virginia Tech. Fiscal Technicians include, but are not limited to administrative staff members who perform departmental fiscal functions. FBLG is open to anyone who could benefit from the information shared.
The group was started in 1993 to establish a channel of communications for fiscal technicians to discuss ideas and procedural changes. The group now has over 700 members and meets bi-monthly during the academic year. Speakers have included many different departments such as Payroll, the Controller’s Office, Purchasing, Records Management, Foundation, Human Resources, Internal Audit and others. In addition to improving communications, the group enhances professional development and a way to share ideas with colleagues.

Because the meetings foster good communications and the sharing of business practices, the Controller’s Office and Division of Student Affairs cover the cost of the lunch.

You can receive notifications about upcoming meetings by submitting a request to Alyssia Schwenke at alyssiad@vt.edu or by phone at 231-3304. The FBLG list-serv is a resource for advertising Virginia Tech career opportunities related to fiscal operations.
