NEW Training Available - International Student Employee

The Payroll department has created a new on-demand training for International Student Employees. It allows user to take the training at their own pace providing necessary information for any international student that has been hired by Virginia Tech, such as onboarding and tax information.

The training can be found [here](#) on PageUp. It is also available on the Controller's Office webpage under Training Opportunities- Payroll.

Questions regarding the training can be directed to printernational@vt.edu
