

2017-2018 Student Activity Fee Student Organization Funding Report

The amount of the Student Activity Fee for 2017-18 was \$326 and was used to support the operation, maintenance, and debt service expenditures for Student Engagement and Campus Life and for support of various student organization programming activities as determined by the Student Budget Board. For 2017-18, \$1,553,084 was available to be allocated to support student organizations, which included a base allocation of \$1,267,327 for fiscal year 2017-18, and \$285,757 of unspent and/or unallocated funds carried forward from the prior fiscal year.

Student organizations applying for student activity fee funding must submit budget requests to be reviewed by the Student Budget Board (SBB). Only organizations that have registered with Student Engagement and Campus Life, are eligible to submit a budget request. All organizations may be asked to appear before the board to present their request and to answer questions of the board members. The board is governed by funding policies approved by the Commission on Student Affairs (CSA).

The Student Budget Board, a standing committee under the CSA, is responsible for reviewing budget requests and making funding decisions for University Chartered Student Organizations (UCSO), University Student Life Programs (USLP), and Registered Student Organizations (RSO). Its membership is composed of Virginia Tech students. The Student Budget Board is advised by the Associate Director of Student Engagement and Campus Life, a full time, administrative staff member.

The following groups received funding through the budget board process. For more information about an organization, please go to the Virginia Tech homepage www.vt.edu and select "Clubs, Organizations, and Involvement" under the Campus Life menu section.
