

2018-2019 Student Activity Fee Student Organization Funding Report

The amount of the Student Activity Fee for 2018-19 was \$321 and was used to support the operation, maintenance, and debt service expenditures for Student Engagement and Campus Life and for support of various student organization programming activities as determined by the Student Budget Board. For 2018-19, \$1,620,096 was available to be allocated to support student organizations, which included a base allocation of \$1,240,889 for fiscal year 2018-19, and \$379,207 of unspent and/or unallocated funds carried forward from the prior fiscal year.

Student organizations applying for student activity fee funding must submit budget requests to be reviewed by the Student Budget Board (SBB). Only organizations that have registered with Student Engagement and Campus Life, are eligible to submit a budget request. All organizations may be asked to appear before the board to present their request and to answer questions of the board members. The board is governed by funding policies approved by the Commission on Student Affairs (CSA).

The Student Budget Board, a standing committee under the CSA, is responsible for reviewing budget requests and making funding decisions for University Chartered Student Organizations (UCSO), University Student Life Programs (USLP), and Registered Student Organizations (RSO). Its membership is composed of Virginia Tech students. The Student Budget Board is advised by the Associate Director of Student Engagement and Campus Life, a full time, administrative staff member.

The following groups received funding through the budget board process. For more information about an organization, please go to the Virginia Tech homepage www.vt.edu and select "Clubs, Organizations, and Involvement" under the Campus Life menu section.

**Official Student Organizations Receiving Funding Allocations
During the Fiscal Year 2018-19**

Organization Name	Mission/Activities	2018-19 Allocation
Academic Competition Organization	The Academic Competition Organization at Virginia Tech (ACO-VT) is an academic team that participates in intercollegiate Quizbowl competitions and hosts high school and collegiate competitions. Along with our competition season, VTACO strives to make Quizbowl more accessible in both the high school and collegiate level and to have fun!	\$265.00
Active Minds	Active Minds is a student-led mental health group that works to raise awareness about mental health, raise funds for critical mental health education and resources, promote positive mental health and wellness, educate students and educators about the signs and symptoms of mental health disorders, and encourage students who are struggling to reach out and seek help.	\$3,846.00
Aerial Robotics Club at VT	This drone club is aimed at gathering any people (undergrads, grads, faculty, hobbyists, etc) to build drones and brainstorm all possible drone applications in a laid-back manner.	\$3,859.00
African Student Association	The African Students Association - Virginia Tech Chapter is a non-exclusive, cultural, social, and educational body geared towards serving the community and promoting unity and cultural awareness between all who find interest in Africa and its diaspora.	\$4,217.00
Ag Ldr & Comm Ed Grad Stdnt Council	As graduate students must balance the independence and stresses of being an adult with the frustrations and worries involved in pursuing a degree, the purpose of the organization is to communicate needs of graduate students in the Department Agricultural, Leadership and Community Education both internal and external to Virginia Tech, serve as an open forum for graduate students to discuss current topics related to the Department Agricultural, Leadership and Community Education and agricultural industry, assist in the professional development of graduate students in the Department Agricultural, Leadership and Community Education, which include but are not limited to research development, communication, and evaluation, and serve as a resource for the Department Agricultural, Leadership and Community Education in recruitment and other outreach efforts.	\$2,066.00
Ahlubayt Student Association	Ahlul-Bayt Student Association (ABSA) is a determined and goal-orientated gathering of Muslims on campus whose aim is to offer an academic medium for the followers of the Ahlul-Bayt (as) and to propagate the teachings of the Sunnah of the Holy Prophet Muhammad. ABSA's mission clearly entails cooperation with other societies, to build a friendly and frank ambiance on campus; free from prejudice, racism and discrimination.	\$2,420.00
Airsoft Club at VT	ACVT is a platform for students participating in the sport of Airsoft with a focus on working together as a team and military simulation.	\$1,137.00
Alpha Kappa Alpha	Alpha Kappa Alpha is the first sorority established by African American women dedicated to serving all mankind. In the past years of sisterhood, our members have made strides in the African American community by upholding high scholastic and ethical standards and promoting peace worldwide.	\$2,390.00
Amer Assoc of Equine Practitioners	AAEP is a student run organization with the goal of furthering knowledge in the equine veterinary field. This is completed by holding monthly meetings, wet labs and weekly rounds discussions in the Large Animal Hospital.	\$3,148.00

**Official Student Organizations Receiving Funding Allocations
During the Fiscal Year 2018-19**

Organization Name	Mission/Activities	2018-19 Allocation
Amer Inst Aeronautics/Astronautics	The Virginia Tech AIAA Student Branch has over 100 members ranging from freshman to graduate students and alumni. The organization is dedicated towards promoting resources, opportunities, and community for students to strengthen their technical and professional knowledge as students and future engineers in the aerospace field. The organization also works to strengthen student, faculty, and professional relationships within the university's aerospace department by encouraging active participation, communication, collaboration. Students are encouraged to submit papers to and participate in AIAA student conferences.	\$2,300.00
Amer Inst of Chemical Engineers	AIChE at VT is a professional organization devoted to the development of Chemical Engineers at VT through meetings, corporate relations, etc.	\$1,054.00
American Fisheries Society	<p>Chapter Mission</p> <ol style="list-style-type: none"> 1. To promote the educational, scientific, and technological development and advancement of all branches of fisheries science and practice, including aquatic biology, engineering, economics, fish culture, limnology, oceanography, and technology. 2. To gather and disseminate technical and other information on fishes, fishing, fisheries, and all phases of fisheries science and practice. 3. To hold meetings for the presentation, exchange, and discussion of information, findings, and experiences on all subjects and techniques related to fishes, fishing, fisheries, and all phases of fisheries science and practice. 4. To encourage the teaching of all phases of fisheries science and the training of fisheries workers in accredited colleges and universities. 5. To promote the conservation, development, and wise use of the fisheries. 6. To promote fellowship and professionalism among members of this Chapter. 	\$3,106.00
American Veterinary Society of Animal Behavior	This club enables additional educational opportunities for students to learn about animal behavior through guest speakers, externship opportunities, group trips, and hands on training. Knowledge on animal behavior is a useful skill to have as a veterinarian regardless if you are a small, large, mixed, wildlife, or exotic veterinarian for both diagnosis, prevention, and treatment. Another aspect of animal behavior that is important is that as a veterinarian we will be approached by clients who are having behavioral issues at home and are looking for ways to minimize or eliminate these problems. In addition to these opportunities this club would have the information from professionals that would help the first year students be able to train the MDL dogs during their socialization times more efficiently using appropriate training methods.	\$400.00
Appalachia Collective	We aim to support the greater Appalachian community while engaging with the residents of Southwest Virginia. This club is open to any and all who are interested in interacting with the culture of the region. We will host and sponsor many different types of Appalachia-related events. These may include bringing in artists such as Appalachian poets or old time musicians, going hiking, traditional folk dancing, and engaging in the community through service.	\$755.00

**Official Student Organizations Receiving Funding Allocations
During the Fiscal Year 2018-19**

Organization Name	Mission/Activities	2018-19 Allocation
Arabic Language Club at VT	The Arabic Language Club is a non-profit student organization that works on enhancing awareness of the Arabic language, heritage, and cultures in all their diversity through social, educational, and service events. The club provides an opportunity for interaction and engagement between students who are enrolled in the Arabic class at Virginia Tech and Arab students/native speakers of Arabic.	\$221.00
Asian American Coalition	The Asian American Coalition (AAC) @ Virginia Tech was inspired by other organizational efforts on campus, as well as our own personal drive to establish something that has a more meaningful impact in bringing together Asian and Asian American communities at VT.	\$1,707.00
Asian American Student Union	The mission of the Asian American Student Union is to serve the Asian/Pacific Islander American (APIA) community within Virginia Tech. It shall act as an umbrella organization over the branching undergraduate APIA organizations. It shall strive to enhance and further the individual cultural and ethnic diversities that exist in the APIA community. It shall make efforts to address the problems and concerns of the APIA community to the administration and other fellow student organizations.	\$18,933.00
Ask Big Questions	Ask Big Questions Fellowship/Internship is an opportunity for students to challenge each other to think outside of the box in conversation. It is a chance to master some powerful skills, form deep connections, build community on campus and learn about yourself.	\$9,621.00
Assoc/Chinese Student & Scholars	Our organization mainly provides activities and help for Chinese group at Virginia Tech. We hold the Mid-Autumn Festival Gala and Spring Festival Gala every year. We also help new students with their life and study. Please contact any board members if you are interested to join us.	\$5,050.00
Assoc for Bangladeshi Students	ABS is a non-profit, non-religious, non-political, student organization at Virginia Tech looking after the interests of Bangladeshi students, as well as providing a platform for such students to showcase the education, history, culture, and development issues of Bangladesh.	\$4,233.00
Association for India's Development	Association for India's Development (AID) is a voluntary, not-for-profit organization that supports grass roots projects in India while also promoting sustainable, equitable and just development.	\$7,500.00
Association for Women in Mathematics	We seek to support women in mathematics. This support includes connecting women in math and math-related fields to each other socially and providing resources to help women stay in math. Any individual who is "for" women in mathematics is welcome to join. Our chapter is open to both graduate and undergraduate students. We encourage our members to network through our study sessions, mentoring program, and social events. The members of our organization will be encouraged to live Virginia Tech's motto "ut prosim" by giving back to the community. This will be accomplished through outreach events in which we encourage K-12 students to be excited about math.	\$218.00
Association of Muslim Volunteers	We are focused on community service through various activities and involvement in the Blacksburg community. The mission of AMV is to develop our members into leaders who can create everlasting and meaningful change in every community they currently belong to and every community they will belong to in the future	\$938.00
Autonomous Aerial Vehicle Team	This organization focuses on designing, building, and programming autonomous UASs for competition(s) around the world. Primary competition elements include autonomous waypoint navigation, target recognition, obstacle avoidance, and payload delivery.	\$6,383.00
AUVSI at Virginia Tech	AUVSI is the world's largest nonprofit organization devoted exclusively to advancing the unmanned systems and robotics community.	\$3,859.00

**Official Student Organizations Receiving Funding Allocations
During the Fiscal Year 2018-19**

Organization Name	Mission/Activities	2018-19 Allocation
AUVSI SUAS	This organization focuses on designing, building, and programming an autonomous UAS for the annual AUVSI-SUAS competition. Primary competition elements include autonomous waypoint navigation, target recognition, obstacle avoidance, and payload delivery. In addition to a mission demonstration, the competition has two more major components.	\$1,480.00
Backgammon Club at VT	The organization plays and teaches backgammon.	\$1,120.00
Ballet Project	The Ballet Project at Virginia Tech is the university's only student-run ballet company. Our mission is to provide a fun and educational environment in which classical ballet can be explored, practiced and performed.	\$854.00
Ballroom Dance	Ballroom Dance at Virginia Tech is an organization dedicated to teaching ballroom style dances to students and the community.	\$5,663.00
Bamboom Dance Crew	Bamboom is made up of talented members who embrace their love of dance and strive to share that with the community. Our styles range from classic hip-hop to modern contemporary, and everywhere in between. More than just a student organization, we are a family who aim to entertain the Virginia Tech community and inspire others to dance.	\$7,500.00
Bengali Students Association	Officially founded in 2007, the main purpose of the organization was and still remains to make the incoming international students from the province of West Bengal, India feel welcome and get comfortable in a new land. Many of the graduate students spend close to 5 years in VT essentially making it a home away from their homes. We celebrate two main festivals of Bengalis', Durga puja in Fall and Saraswati puja in Spring. Over the years, these events have crossed the regional boundaries and has attracted students from all around the world. We also collaborate with Association for Bangladeshi Students' in their celebrations of International Mother Language Day and Bengali New Years.	\$2,720.00
Bhangra at VT	Bhangra at Virginia Tech is a competitive, cultural dance team. We compete at various competitions throughout the country and perform at various school events, including Gobblerfest, VT's Best Dance Crew, and cultural shows.	\$796.00
Billiards Club	The Billiards Club at Virginia Tech is a sponsored student organization, open to all students, staff, faculty, and alumni. We aim to bring together people who are interested in all cue sports, including 8-ball, 9-ball, 10-ball, Straight Pool, One-Pocket, Bank Pool, Snooker, Bumper Pool, Billiards, Carom, Russian Pyramid, Kaisa, and so many more!	\$628.00
Biomedical Eng Society	The Biomedical Engineering Society (BMES) club is a joint BMES chapter that was founded to help bridge the gap between the two campuses, Virginia Tech and Wake Forest University, and foster communication and collaboration among various research groups. Our mission is to encourage the development, dissemination, integration, and utilization of knowledge in biomedical engineering, as well as to enhance interaction within the scientific community.	\$100.00
Black Grad Student Organization	BGSO at Virginia Tech was founded to promote a greater sense of community among graduate students of African descent. Our mission includes providing support networks, encouraging research and scholarship, along with promoting exposure to information technologies. Our aim is to promote cultural, educational, and professional development in the lives of the Black graduate student population at Virginia Tech.	\$5,800.00

**Official Student Organizations Receiving Funding Allocations
During the Fiscal Year 2018-19**

Organization Name	Mission/Activities	2018-19 Allocation
Black Organizations Council	BOC serves to ensure the betterment of the Black community through providing a unified voice for the Black community in a university population where the Black community lacks adequate representation. BOC also serves as a liaison between the administration, university organizations, and the Black community, provides a forum for the exchange of ideas and dissemination of information, promotes the Black organizations individually and collectively, coordinates events which require the participation of all entities of the Black community and supports the development of campus camaraderie within the university community. BOC has a mission of being the governing, representing, and coordinating body for the primarily African American student organizations. We will also provide activism and advocacy, while meeting the challenge of the social and political forces affecting the Black community.	\$23,532.00
Black Student Alliance	The purpose of the Black Student Alliance at Virginia Tech is to promote a greater understanding of black culture among students, employees, and community members at Virginia Tech. This will occur through the presentation of diverse programs that showcase the educational and artistic contributions of African Americans.	\$198,224.00
Blacksburg Ki Badmaashi	Blacksburg Ki Badmaashi (BKB) is a dance competition in the Blacksburg, Virginia area featuring raas, fusion, and bhangra teams from all across the country. 12 teams, 4 of each genre, will compete to win the first place prize. Our main goal is to spread the joy of dance through some friendly competition! Additionally, we are a non-profit organization that donates all proceeds to Pratham, an organization that works to ensure impoverished children in India receive an education.	\$4,366.00
Bladesmithing Team	Our mission is to provide hands on experience to mainly materials science and engineering students in the area of metals, specifically with forging applications, through observing materials & techniques used in bladesmithing practices, which by doing so would support students academic enrichment. Moreover, we seek to develop students professional skills through formal report writing and networking at the annual TMS conference.	\$650.00
Block and Bridle Club	Objectives: To promote a higher scholastic standard and a more complete understanding of the field of Animal Sciences among student members. To promote Animal Sciences through the development of a program of activities, especially all phases of student Animal Science work in colleges and Universities. To bring about a closer relationship among all students pursuing some phase of the Animal Sciences as a profession.	\$2,391.00
Bradley Student Center	The Bradley Study Center exists to cultivate a thoughtful exploration of the Christian faith at Virginia Tech. Focusing on students, faculty, administrators and alumni, the Center seeks to explore how faith, learning, and calling relate to one another in advancing the common good for all. Believing that the Christian intellectual tradition can contribute a vibrant voice to the academic life of a public university, the Bradley Study Center offers opportunities to: engage students and faculty in the rich intellectual traditions of the Christian faith – connecting it meaningfully to their studies, work and lives; encourage and support Christian faculty and students in their academic pursuits and their current and future vocations; and promote the pursuit of knowledge and truth on the important questions of life in an environment of open and civil academic dialogue.	\$3,750.00
Breakdance (Bboy/Bgirl) Club	We are the Flowmigos aka the Virginia Tech Bboy (Breakdance) Club, a dance organization for all bboys and bgirls. We hope to spread hip-hop culture and help people find community and family through our club!	\$10,166.00

**Official Student Organizations Receiving Funding Allocations
During the Fiscal Year 2018-19**

Orbital Launch Vehcile Team	We are committed to becoming the first amateur rocket team to build an orbital launch vehicle. To date, only a handful of private companies and government organizations have built such a spacecraft. We are now competing with them.	\$2,294.00
Pakistani Student Alliance	The mission of PAKSA is to help and assist current Pakistani students in achieving their academic objectives and bring them together. To do this, we organize and facilitate social, community and cultural events that help students participate at Virginia Tech.	\$2,630.00
Pamplin Ldrshp Development Team	The Leadership Development Team (LDT) is comprised of 21 individuals in 5 committees (Education, Corporate Relations, Public Relations, Materials, Hospitality) and one faculty adviser. LDT works every year to organize and coordinate the Pamplin Student Leadership Conference. We aim to bring together the strongest academic minds and best personalities to interact with industry leaders and learn from their experience as professionals in their respective fields. As a team, we also seek to enhance team members' leadership skills, teamwork, and individual work. We are dedicated to leadership education and experience on our campus as well as within our team. In addition to organizing the Pamplin Student Leadership Conference, LDT members participate in events every year that give back to the Blacksburg and Virginia Tech Community. This year, we will be going to local high schools to present workshops through our Education Committee.	\$3,025.00
Panhellenic Council	<p>The Panhellenic Council is made up of sixteen officers and one delegate from each of the thirteen sorority chapters. Through a committee structure, the Panhellenic Council is able to effectively organize and assist in events of mutual concern to all sorority women. Panhellenic helps to oversee events such as Homecoming, the Fraternity and Sorority Life Awards, Standards of Excellence, and Sorority Recruitment, as well as the changing and updating of the Panhellenic Constitution and Bylaws.</p> <p>Once a year, Virginia Tech's Panhellenic Council attends the Association of Fraternal Leadership and Values, during which members are able to share ideas and attend sessions with speakers who are passionate about the affairs of women in Greek life. In past years our Panhellenic Council has won awards recognizing our excellence in recruitment, risk management, public relations, diversity, and community service. We have also won awards for having the highest Greek women's grade point average in the region.</p> <p>Panhellenic Council is an excellent way for the women of Virginia Tech's NPC sororities to get involved on campus. Delegates are the voting members of their chapters on all community-wide issues. Elected and appointed officers are able to head up different programs and work with women from all chapters to plan activities of mutual concern and interest to all sororities. Panhellenic Council gives women unique opportunities to work with many officials on campus and throughout the Blacksburg community. Panhellenic Council gives women the chance to be involved, not just in their individual chapter but also in the entire community, and most importantly offers unbiased support to all thirteen sororities on our campus.</p>	\$5,180.00
